Message from the Athletic Director

It is my desire here at High Point Christian Academy that our Athletic programs honor God. Through competition, there are many opportunities to grow in Godly character. Our coaches teach about sacrifice, integrity, honesty, and teamwork through unselfish decision making. These are great qualities we desire for each of our student/athletes to develop. We also want to partner with our parents to have a strong athletic program. With your support of our Academy, coaches, and teams, God can and will be glorified and we will have a great testimony in our community – this is of utmost importance to me and our administration.

State Championships

2019 Baseball (3A)
